**What's new in Fifa 22:**

- **POWERED BY FIFA.**
- **New in-game player sequences:** You can now create a moveable wall when dribbling, no matter which team you are controlling. In addition, change players on the fly after creating a moveable wall. This new feature makes defence and midfield play an even more important part of the game.
- **More ways to play:** You can now play through a game whilst under pressure on defence. In addition, we're now able to use the star, which will be coming to real-life football in EA Football Manager 2020.
- **New Leaderboards** have been added, including the world's no.1 Player and World Cup mode leaderboards.
- **New challenge:** The new Master League mode challenges you to face your friends over the course of a season and is designed to be the ultimate single-player mode for FIFA Ultimate Team.
- **Females will need to wear a bra to play on the pitch in future FIFA releases**
